

Summer Reading Log Bike Winners

Good reading attitudes and skills are developed when children are young.

(August, 2009)

Citrus County Library System Director, Flossie Benton Rogers announced that the Florida Library Youth Program (FLYP) and other summer programs wrapped up with much excitement. This year's theme was *"Be Creative & Express Yourself @ Your Library"*

Children that participated in this year's FLYP, and other summer programs were further encouraged to read by entering their names on Reading Logs which were used to draw prize incentives provided by the summer reading programs' business sponsor. Bikes and Helmets were made possible with the support of **Wal-Mart** of Homosassa.

The completion of the FLYP Reading Logs, and the drawing of the prizewinners signaled the end of the Library System's Summer Programs, as the children prepared for the new school year. Rogers stated that good reading attitudes and skills are developed when children are young, and urges parents and other primary caregivers to take a strong interest in a youngster's reading activities.
