Citrus County SUBWAY® franchisee owners Linda Lambo and George Smith provided a “Kids’ Pak”® meal coupon as an incentive to all kindergarten children that participated in the Library Card Sign Up Month program. 1301 library card applications were delivered to the Citrus County kindergarten classrooms. 57 Kindergarten classrooms were rewarded with SUBWAY® coupons. 363 new library cards were processed.

It is always greatly appreciated when area businesses support CCLS’s efforts to reach out to the public.
