

Prop Check Guidelines

- Your participation in this C4Con event means that you agree to comply with this Prop/Replica Weapons Policy.
- For your own safety and the safety of everyone at the event, staff has the absolute and immediate discretion and right to inspect your costumes, prop weapons, and any other item you bring to the event.
- We may temporarily or permanently remove any attendee in our sole and absolute discretion at any time for violating this Prop/Replica Weapons Policy
- The Citrus County Library System reserves the right to modify and/or update this policy at any time in their sole discretion and without prior notice.
- No Real Weapons Are Allowed at an Event.
 - This includes firearms, knives, curios, relic antique firearms, any form of ammunition, any items designed or manufactured with the intent to cause death or serious bodily injury, whether carried openly or concealed, even if any such weapons are inoperable or unusable and irrespective of whether you are licensed to possess such weapons. Items that may otherwise be legal for you to own or carry are not welcome at this event if they violate this Prop/Replica Weapons Policy.
- Your prop weapon cannot be more than 7 feet (2.13 meters) in any direction or weigh more than 15 pounds (6.8 kilograms).
- Prop explosives or ammunition cannot be made out of metal.
- All prop weapons must adhere to the following rules:
 - They cannot be made out of metal
 - If your non-metal blade has a sharp edge or pointed tip, it must be anchored to a hard sheath for the duration of the Event
 - All prop bows must be unstrung and be incapable of shooting.
 - All prop arrows must have blunt non-metal tips.
 - Metal chains are not permitted
- Items that people normally carry such as umbrellas or walking sticks/canes are permitted within the event and subject to inspection upon entry.
- Lightweight plastic or foam bats, paddles, and clubs are permitted.
- Roller skates/blades, skateboards, scooters, go-karts, hoverboards, etc. are not permitted within the event area.
